

22 August 2002

Minutes of the Monthly DPW Partnership Council Meeting, August 2002

The Monthly DPW Partnership Council Meeting was held 22 Aug 02, 1315, Bldg 4213 CR. Nancy Niemann chaired the meeting.

Attendees were:

Nancy Niemann
Kathy Jackson
Linda Wilson
Tommy P. Cassidy
Claude E. Callahan
Rhonda L. Taylor
Glynn Tyus, Jr.
Karen Callaway
Jerry Dyson
Albert McNamee

Old Business:

- Status of purchasing snacks at AAFES – Nancy Niemann clarified with the AAFES Manager what was approved for snack purchases as no implementing guidance was received. Employees can only purchase snacks at the gas stations when filling vehicles with gas using the government credit card. The credit cards cannot be used to pay for the snacks, though. The shoppettes and PX's are not to be used for purchasing snacks.
- 79th Street and HAAF exits – Still not able to exit through these areas. It's not a dead issue yet but decision is on hold pending other activities.
- Partnership Meeting Minutes on the DPW Web Site – The minutes have been put on the play area, but MES is having trouble with the new Web site, so they have not been moved to the actual Web site. They will be placed on the Web site shortly.
- Cell Phone Antennas – Three shops have been approved to have them, but they have not been installed yet.
- Status of R&U – Karen Callaway stated that they are working this issue. Don Young, MES, was designated the Subject Matter Expert and attended the class G3 Education Services is giving the R&U teams. He will interface with Work Services and what is being provided for class material. Karen Callaway also said that the Garrison Commander is interested in the Self-Help Issue Point and there's a possibility it may reopen. It is still in the discussion stages.
- Cell Phone Numbers on the Web Page – Karen Callaway said they may be able to be put them on the "DPW Only" page, due to security concerns. Cheryl Kielman was working the issue. Also, suggestion was made to put them on the I: drive or in the Public Folders. The information is not as easy to get from these areas. Karen Callaway said Leroy Allison, PBO, keeps the list updated, and she will ask him to send it to all DPW Users.

- Service Order Completion at Barracks – Problem is POC's not available to let personnel in rooms to make repairs. Karen Callaway said DPW SGM will intervene in unusual circumstances. Nancy Niemann asked Jerry Dyson if his shop is having trouble with no shows, and he said they are not having as big of a problem as they have in the past. Karen Callaway will query work order data to determine the trend of service orders closed out because of "no shows" compared to a year ago.

New Business:

- Vehicle Stickers – DPW will set up a date for employees to get the expiration date stickers that are required by 1 Oct 02. Expiration stickers are for employees who already have a registration sticker. Information required will be driver's license, proof of insurance, and registration.

Meeting was adjourned at 1350. Next meeting will be held 19 Sep 02, 1315-1500, DPW CR1, Bldg 4612.
